The folks at Audi got really confusing with their American-market car names for a couple of decades

and I have given up trying to sort out from memory, say, when the 5000 became the 100 or the 200 or whatever the hell it became in the chaos following the Unintended Acceleration Debacle. The Audi 80 was sold in the USA as a 4000 or something — it's all a blur — but then Audi badged it as ...
