Be Your Own Did you know that our blood pH must stay within a very narrow range or serious illness and death can result? This is so essential to being human that our bodies have a wonderful maintenance mechanism to keep our blood in balance.

Mind - Body - Soul: Don't Die Early - The Life You Save ...

Rather than focus on specifics like losing weight or having abs of steel, Don't Die Early is about avoiding the diseases that steal our quality of life as we age. Losing weight certainly has its benefits, but too many people, even medical practitioners, overlook the fact that excess weight is not a disease, it's a symptom of a greater problem.
