Art and iconography. Christian art constitutes an essential element of the religion.Until the 17th century the history of Western art was largely identical with the history of Western ecclesiastical and religious art. During the early history of the Christian Church, however, there was very little Christian art, and the church generally resisted it with all its might.

Christianity - Art and iconography | Britannica

The history of art focuses on objects made by humans in visual form for aesthetic purposes. Visual art can be classified in diverse ways, such as separating fine arts from applied arts; inclusively focusing on human creativity; or focusing on different media such as architecture, sculpture, painting, film, photography, and graphic arts.in recent years, technological advances have led to video ...
