spelling differences), is the process of interaction and integration among people, companies, and governments worldwide. Globalization has accelerated since the 18th century due to advances in transportation and communication technology. This increase in global interactions has caused a growth in international trade and the exchange of ...

Globalization - Wikipedia

For example, with powerful political leaders regularly making disdainful remarks about the UN and EU, it seems unclear whether one of globalization's most striking features, i.e., enhanced political and legal decision-making "beyond the nation state," will continue unabated.

Globalization (Stanford Encyclopedia of Philosophy)

Globalization is the word used to describe the growing interdependence of the world's economies, cultures, and populations, brought about by cross-border trade in goods and services, technology, and flows of investment, people, and information. Countries have built economic partnerships to facilitate these movements over many centuries. But the term gained popularity after the Cold War in the ...

What Is Globalization? - PIIIE

See globalization as the spread and dominance of American values. This definition conceives of globalization as a global convergence of politics, economic practices, and culture around a specifically American version of democracy, capitalism, and "commercial secularism," in which consumption of goods and culture (film, music, restaurants, etc.) takes the place of religion or other cultural ...

How to Understand the Concept of Globalization - wikiHow

Although globalization allows for crisscrossing borders, it also leaves individuals worrying about losing work, status, or other privileges.[40] Moreover, since globalization favors material prosperity as the aim of life over inner peace, individuals focus on attaining some material possession such as a house, car, game, or simply any object.[41]

The New Press amplifies progressive voices for a more inclusive, just, and equitable world. As a nonprofit public-interest publisher, we leverage books, diverse voices, and media engagement to facilitate social change, enrich public discourse, and defend democratic values.

The New Press | Books to Change Minds About Justice

A Nobel prize winner challenges us to throw off the free market fundamentalists and reclaim our economy. We all have the sense that the American economy—and its government—tilts toward big business, but as Joseph E. Stiglitz explains in his new book, *People, Power, and Profits*, the situation is dire. A few corporations have come to dominate entire sectors of the economy, contributing to ...

Issues Brief - Globalization: A Brief Overview

Globalization is a particular issue for women, because they often bear a disproportionate burden of poverty, which may be exacerbated by economic restructuring, deregulation, and privatization.[9] Investors have demonstrated a preference for women in the "soft" industries such as apparel, shoe- and toy-making, data-processing, and semi-conductor ...

Legal Issues of Globalization - Legal Service India

Few would deny that processes of globalization have impacted education around the world in many important ways. Yet the term "globalization" is relatively new, and its meaning or nature, conceptualization, and impact remain essentially contested within the educational research community. There is no global consensus on the exact time period of its occurrence or its most significant shaping ...
