So, unless I missed the point of Myrer's beautifully crafted and extremely bittersweet masterpiece, what exactly does the U.S. military want its junior officers to take away from reading "Once An Eagle"? Every way I slice it, I come away feeling the folks who put the book on every service's officer reading lists missed the whole point of the book.

Once an Eagle: Myrer, Anton: Amazon.ae

As much as Myrer clearly admired the Army and many (most?) of the people in it, Once an Eagle is very critical of much of Army culture, and he admitted that it is very much an anti-war book. But the paradox that we see in this book is that as much as war brings about so much needless suffering and death, it can also inspires great courage and strength of character.
