Osmans Dream The Story Of

Osman's Dream is a mythological story about the life of Osman I, founder of the Ottoman Empire. The story describes a dream experienced by Osman while staying in the home of a religious figure, Sheikh Edebali, in which he sees a metaphorical vision predicting the growth and prosperity of an empire to be ruled by him and his descendants. The story emerged in the fifteenth century, more than a hundred years after Osman's death, and is thought to have been created in order to provide a foundational
