While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

### Pearson Ingles Backpack Workbook 5

Backpack is not just their English book anymore, now it has a face, a voice and a big smile. It has become meaningful to them and therefore, English has become meaningful too." Watch the presentation here. (Be sure to turn off the website music first.) Listen to a podcast by Mario Herrera on
