The Amazing Book of Paper Boats contains interesting information about each of the boats featured in the book, but it's the model boats themselves that are truly amazing. They are printed on waterproof paper, so once you make them they actually float! My son had no trouble assembling the simpler boats, like the speed boat and the sail boat, and once he did he had a blast playing with them in the sink and tub. While the complex boats are more challenging, the book is a lot of fun and perfect ...
