Goodreads

Templeman's language is artful, and the emotional depth of the story is surprising. I won't spoil the ending, but it really got me.

The Little Woods is a fantastic, well-written read - highly recommended, especially for fans of smart mysteries like The Secret History by Donna Tartt.

Read Free The Little Woods

McCormick Templeman sounded very promising to me when I noticed it on NetGalley, so I could not wait to read it. It sounded very suspenseful and thrilling, and I wasn't sure whether to expect a paranormal thriller/mystery or something more realistic.
