## **Politics - The New York Times**

The second pervasive theme in the politics of evasion is the Myth of Mobilization. The argument goes as follows: the Democratic party need not alter its program or message, because it can regain the presidency by getting current nonparticipants to vote. The most general form of this argument is that higher turnout across the board is the solution.

The president of the United States is the head of state and head of government of the United States, indirectly elected to a 4-year term by the people through the Electoral College. The officeholder leads the executive branch of the federal government and is the commander-in-chief of the United States Armed Forces. Since the office was established in 1789, 44 men have served as president. The first, George Washington, won a unanimous vote of the Electoral College. Grover Cleveland served two non
