It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The NCAA is giving Indiana an exclusive ticket to showcase March Madness and the basketball-crazed state can't wait to take center stage this spring. The NCAA announced Monday that its showcase event — the Division I men's basketball tournament, all 67 games of it — will be played entirely in or near Indianapolis. "There are a number of world-class facilities in a close location and that ...
